

Jack Walker, Jr.

September 10, 1940 - April 19, 2026

Jack Walker, Jr. entered eternal rest to be with the Lord on Sunday, April 19, 2026. Jack was born on September 10, 1940, to the late Jack Walker and Elizabeth Gaskins, in New Orleans, Louisiana. Jack was raised by his late uncle and aunt, Oliver and Letitia Hadley whom he loved dearly.

Jack was educated in the New Orleans Public School System and graduated with the Class of 1958 from Booker T. Washington High School “The Lions”. Upon Graduation he enlisted in the United States Navy where he proudly served for twenty-one years.

After retirement from the Navy, Jack was employed with Combat Systems, at the Norfolk Naval Shipyard where he worked for twenty-eight years as an Engineering Technician. Prior to his illness, Jack attended Bethel Baptist Church in Norfolk, Virginia under the spiritual guidance of Pastor Joseph G. Casper, Jr.

“Walker” as many knew him, was not one to be idle. He did volunteer work at the food bank, worked on cars, and computers. If he didn’t know something he would get a book and study a particular subject to get the job done. Always searching for more knowledge he attended various trade schools, including Tidewater Tech. He was always around making time to assist and help others.

He was preceded in death by his sister Patricia LaRoche and the loving uncle to the late Juan Parker, Cheri Parker and Kermit Wheeler.

Jack is survived by his wife Sandra Nicholson, a son Jack Nicholson, one granddaughter, and a great grandson.

He is also survived by two nieces, Karen Parker of Norfolk, VA, and Ashanti LaRoche of New Orleans, LA, great nieces and nephews, great-great nieces and nephews and other extended family members.

Also, those left to cherish fond memories are his 1958 Classmates of Booker T. Washington High School in New Orleans, military buddies, NNSY former co-workers and friends, whom he built relationships with for over 50 years, and his Doummar Drive family whom he loved and spoke of fondly as family members.

“ *Jack and I worked through several gun mount and missile launcher overhauls together back in the 80s. He always had a quick wit, a ready smile, and a friendly spirit that helped make those endless 12 hour days bearable. He was a great workmate who always came through on his part. We had reconnected at a Christmas dinner a couple of years ago and it was wonderful to see him. In typical Jack fashion, he paid for my dinner before I could even object. Save me a seat, ole friend! Rest in peace, sir. Sincerely and very respectfully,*

“ Uncle Jack, First I strongly pray you watch over your nieces as they grieve and carry this loss with us. The pain is heavy, but so is the love you left behind. We will always cherish the time we shared with you, especially during the holidays.

You were a man full of wisdom, you were very calculated, the most intelligent man I knew. You always having something meaningful to say, but never without that signature humor that could light up a room (that being if you were fast enough to catch it) That balance of insight and laughter is something I'll never forget. Growing up, your home was my second home away. There was something comforting about how it never changed, how it always felt the same from when I was a little girl. It held memories, warmth, and a sense of belonging that I'll always yearn to surround myself with. As the years go on, I'll hold onto those memories tightly. I'll remember your voice, your presence, your grace. Saying goodbye doesn't feel real, yet. I don't want this to be true, but I know your impact will continue to live through all of us who truly and unconditionally loved you.

I only hope that everything being said and done now reflects the kind of man you truly were a man of integrity, love for his family, and fairness. You deserved peace, and I pray that truth and justice follow in your name.

Tell your sister hello for me. And tell her to stop bringing those plants back. □

“ I can't fathom the thought of you not being here Uncle Jack. You were the best uncle, godfather, and mentor anyone could have ever dreamed of having. You were kind, compassionate, loving, and believed that people could change and improve themselves and their character. You were a critical thinking, an analyzer, a philosopher of sorts. You taught me so much about life and people and I'll cherish these things as long as I live. The love you had for us was unwavering. You grieved the loss of your sister, then the loss of the love of your life. I never would imagine in less than two years of losing aunt Mae you would be gone. There's just so much that weighs heavy on my mind and heart. I could always pick up the phone and talk to you, for hours , no matter what time of day or night. The impact you had on others could never be duplicated. I've always told you how much I appreciate you and I'm grateful God allowed us to forge a relationship like no other. SO MUCH UNCLE JACK. I just have no words, just a heavy heart. I'm glad you and your favorite girls are together again. The neighbors going to miss those winter food hauls and I'm going miss preparing them for you!!

My heart is heavy with pain and a feeling of loss. Our friendship began in New Orleans as youngsters at Ebenezer Baptist and life careers, and distance separated us but true friendship never wavered or lost its strength. We always kept in touch and I'll miss the laughter. I think not of what I've lost, but what I had... a forever friend. I cherished our friendship in life and give thanks for you .. even in death! R I P my friend!! 🙏🎵❤️
