“ *Randy and Family:*

Although your family circle is broken; we know that your Mother is at peace. GOD will see you through. Be encouraged and hold on to God's unchanging hand. He will sustain you and your family during this difficult time. Cherish those beautiful memories you had with your beautiful mother and find solace in knowing to be absent from the body is to present with the Lord.

May these words give you hope in days to come.

With deepest sympathy.

“ As I viewed the wonderful pictures of Miss Jackie, my first thought was she never lost her favor from childhood to eternity. Such a beautiful person. My next thought was the glorious song “I Never Lost My Praise!” Being a teacher during their era, this song would have definitely championed and energized them. Miss Jackie and my Mom shared a bond that was centered in Faith, Family, Service and Kindness. Because of their Teaching Careers, Donna, Randy, Sherita and I automatically joined the circle of “TKs”(Teacher Kids)! There were times when that recognition seemed so burdensome. Having forever throughout our school years to carry the torch to “lead by example.” But with the passage of time; becoming ourselves parents, we came to love, respect, celebrate, appreciate and honor our “TK” membership due to their sacrifices, standards of teaching excellence and community fellowship- -Miss Jackie, my Mom (Miss Inez) and all the dedicated Teachers of Portsmouth Public Schools (Green Street-Chestnut Street-George Peabody-Riddick-Weaver- S H Clarke-I C Norcom; particularly when “ separate was not equal”. But their intelligence, fortitude, commitment and innovative creativeness balanced and surpassed all standards as their parents and ancestors had instilled in them to “lead by example!” Lovingly Submitted in Tribute - Miriam Jackson Jiggetts
