“ *To A Wonderful Sister Whom Me and Kennedy; Will Always Remember.*

When we moved to Va. in 1973 all we had was each other,(Me, You, Deanna and Kennedy). Growing up for some of the years, going to school together and times just hanging out with our parents (Leon and Barbara). Even when you all moved to Academy Park and Chesapeake Townhomes we were still in touch with one another.

We shared our children together as well. Now that some of us have grandchildren this will be another part in our lives. We were really hurt to hear the news that one of us would never want to hear, all we wanted was to get old together and share more sweet memories, but God knowing how much we can take he knows what is best for us too.

We know he makes no mistakes. We will always remember and miss you so much.

*REST IN PEACE OUR BELOVED SISTER JACKIE YOU ARE IN GOD'S HANDS NOW,
AND A BETTER PLACE (NO MORE TEARS AND SUFFERING)
Forever Love Your Siblings, Kennedy, Christine and Deanna
And May God Please Comfort The Family. If Anything We Can Do,
Feel Free and Call

I wasn't at the funeral today... not sure I could have even gotten through it. I know my hurt is nothing compare to the loss your immediate family is feeling. You have been apart of my life for 26 years. We had our own special love for each other that need not be explained... it was just understood. I wish we would have kept in contact even more over the years.... I love you so much. I miss how when you would laugh so hard all of your teeth would show, and you would double over and hold your stomach, and squint your eyes. I miss you turning up the radio when your song Daddys home would come on! You were so loving and you taught me so much about being a woman when my biological mother was no where to be found. We all have our issues but no matter what... your love for me was never in doubt. I just hope you know how much you meant to me in my life. A woman who loved me when my own mother could do right and show it. Thank you for all that you have ever done me, for ever hug, for every dinner, for every time you took care of me when I was sick, that you for every day that I lived with you. I love you forever Jackie and I will miss you forever... Nedra
