“ Memories of the people who have impacted your life. Thank you Mrs. Jackie Washington Dickerson, my Head Start teacher. Created the foundation and created the bond. Remembering a great mother , sister, friend, aunt; beautiful smile, beautiful person. You will be greatly missed but never forgotten. Love you both Washington and Dickerson families. Weeping may endure for a night, but joy cometh in the morning. No more pain, no more suffering to God be the glory.

Love Always,

“ Jackie - You will surely be missed. Thanks for the fun memories I will always have of you; you brought a smile to my face everytime I saw you with the crazy things you always said, but it was always in good humor. You were always kind, funny as hell and a sweetheart to me and you will always be in my heart. Just to name a few, Ann, Wanda and Sheena please be strong and know that she is now at peace with no more suffering.
