

James A. Clifton Jr.

June 2, 1958 - February 13, 2021

James Arthur Clifton, Jr. was born in Portsmouth, Virginia on June 2, 1958 to the late James Arthur Clifton, Sr. and the late Shirley V. Clifton. James, fondly known as “Junie” was the eldest of two sons. He and his brother were raised in Cavalier Manor by their mom, after their father passed, when he was just 5 years old.

James was educated in Portsmouth Public Schools, graduating from Manor High School, Class of 1976. He entered the United States Army and served for several years until he was honorably discharged. He attended Norfolk State University and received an Electrical Apprentice Certification from Everest College. He worked as a bricklayer for Jason Masonry for many years. After several other occupations, he thrived in the Insurance Industry and was last employed with Sutherland Global Service as an agent for Aflac. His outgoing and spirited personality brought joy to those he worked around, always encouraging and sharing the word of God.

James was reared in Christian Antioch Church under the leadership of the late Bishop Samuel Williams, where he received Christ as his personal Savior. His mother was the epitome of a godly woman and at an early age, she ensured that both he and his brother’s foundation were set in Christ. Throughout the years he was affiliated with several churches. In his later years, Community Church Western Branch, under the leadership of Pastor Michael Brueseke,

gave him that multi-cultural experience, while Bethel Baptist Church Norfolk, under the leadership of his longtime friend, Pastor Joseph G. Casper, Jr., and Jesus Church of Deliverance, under the leadership of his god-brother, Bishop Lagus McCoy, gave him that deep rooted, soul-stirring, move of God experience.

The scripture says, "He that findeth a wife findeth a good thing and obtaineth the FAVOR of God. The Lord allowed him to find her in Memphis, Tennessee and on July 20, 2012 he was joined in marriage to Evangelist Donna Ware Clifton. He also became her Joseph and took her then 5 year old son Zion as his own, legally changing his last name to Clifton. They became the family that God saw fit to put together for His use and glory.

He will be missed by his wife of 8 1/2 years, Evangelist Donna Clifton. He leaves three sons, Zion Clifton, James A. (Taletta) Clifton, III and Christopher (Asha Rene) Clifton, one daughter, Latoia Wilson, eleven grandchildren, one great grandchild and one on the way.

He was a son to his mother and father-in-law, Pastor Emeritus Albert W. Ware and Evangelist Barbara Swearngen Ware (Memphis, TN), a brother to Minister Maurice Clifton (Portsmouth, VA), a brother-in-law to Mrs. Annette Clifton (Portsmouth, VA), Mr. Corey Ware and Evangelist Albernique Ware (both of Memphis, TN), an uncle to Dominique (Krystal) Tillett and a great uncle to their son (Portsmouth, VA). There are a host of uncles, aunts, cousins, god sisters, brothers, daughters and sons, other extended family and friends who are left to celebrate his memory.

“ *To our extended family, Maurice we share our sincerest condolences in the passing of our brother Junie. You all were raised with the Vinson family and we too feel the pain of his transition. It was indeed a pleasure to talk with Junie of several occasions over the last few weeks while he was recuperating in the hospital. He remained in high spirits each time I spoke with him. I was devastated when I got the news however, I am assured that Junie would not want to return to this world after experiencing safety in the arms of Jesus. We will see him again and as we discussed, they cant crown him until we get there. The entire Vinson family extends our prayers and condolences to you, his wife Donna, his children and the entire Clifton family during this difficult time.*

“ I was truly blessed many years ago to meet James Clifton. The friendship was truly heaven sent. I will always remember the love and care you expressed when you said you wanted me to meet your beautiful wife Donna. You even drove her to Alabama to spend time with me during a tuff period in my life. My heart is heavy but I know you are in God's care now. Just know I will continue to love on Donna and Zion! My brother my my brother as we sit around this circular table that we were born into so many of us are missing because someone had to stay back and tell the stories from Chestnut Street to Chestnut Street and as we still grow across the country ,our blood came from a long journey of hard-working people From Wilmington North Carolina. Annie Elizabeth Windley ,Baysmore started this bloodline that you and So many Family members shared through this century for all that you've done like your great grandmother you will never leave us ,our blood shall continue flowing and give new life to what it means to be a Windley and a Clifton.

I worked with James for about 3 years at Sutherland Global Services. When we first starting talking he shared his testimony of counseling the guys who were involved in gangs. He also shared that he had a ministry on the radio as well. James was such a delight to work with. His genuine compassion for the Lord was no secret. His love for his wife and son also was a part of his conversations. I always admired him for his bravely. He was truly a soldier on the battlefield. He will be greatly missed. My prayers for the family and especially his son, that God will comfort your heart and bless you to see him in your dreams.

Junie James, you are one of my favorite cousins ALWAYS sharing with me your opinions whether I asked for them or not. You didn't hesitate to agree to help my brother move me to MD 32yrs ago: and as I am making plans to move back home to VA, I knew if I needed your help, you had my back! It's so hard to believe we will no longer have our long and sometimes challenging conversations. You reminded me so much of my Daddy (who also passed at age 62) since you spent so much time with him. My prayer is that when you see him in heaven, y'all won't start a Clifton-style debate at a Clifton-style tone just for the sake of doing it. 😊 Luv you man and I will ALWAYS hold you in my heart. I remember your Mom's last conversation with me when she asked me to ALWAYS remember her. No doubt, I will ALWAYS remember you both. 💕💕
