“ *James "Slum" was a very good friend of mine. I have known him for 30 years and only know of good things to reflect on. I use to see Slum always at the cab stand and at Hardee's.*

We would laugh and have fun joking around.

To the family, Slum will surly be missed by you and friends alike. God makes no mistakes and he has claimed his own. I just want you to know that God is there with you all in times like this. Please encouraged and remember the memories of your father, husband, grandfather, and great grandfather. God will never leave or forsake you and that your family is blessed
