“ *This goodbye hurts deeply. No words can be enough to describe our beloved, Uncle Jimmy. A dear brother, father and friend, our family has suffered a big loss. Uncle Jimmy was the coolest man I have ever known. His laid back personality, guitar playing, simple lifestyle, sweet demeanor, long hair, old school tattoos, wild and fun spirit, made him hold such a special place in all of our hearts. He loved unapologetically, lived how he wanted to live, and enjoyed his life to the fullest. Our father David, not only mourns for the loss of his oldest brother, but his best friend.*

We may be apart, but your memory will live within us forever. Play them Angels a good tune up there.

Our heartfelt condolences are with the entire family.
