“ My Dear Cousin James Jr., losing you hurts my heart so much. I will miss our long chats, laughter, and honesty. You would always call to check on me and to share your personal thoughts. You would send me sweet text messages and cute emojis. I know you loved me, and I will always love you. I'm still in shock you left me, but I know you are no longer in pain. As I told you, I'm proud of you for loving your family. Thankful for Lord blessing you to be saved and you accepting the Lord in your life. Our family will miss you my Dear Cousin. Thanks for loving us.

“ Cake, I am saddened by your passing. I had thought that this time was going to be like the last time you had went to the hospital. I know that you had faith in Our Lord Jesus Christ and that gives me some comfort. I know that there isn't any suffering over there. Rest in peace brother-in-law!
