“ To the Holley family: You are in my thoughts and prayers at this time. I got to know Mayor Holley as I worked on the Cradock revitalization effort in the late 1990s. His humor and insight were always valued. The lights maybe dimmer in Portsmouth now but they are shining brighter in Heaven. Mary E. Phillips

“ *Dr. James Holley was a very encouraging, outspoken, and wise man. When I was a college intern, he taught me a lot about how to carry on about life, and what I needed to know to get things done right. I have done ribbon cutting ceremonies with him and are blessed to have had contact with such a inspiring man.*

Dr. Holley was also my dentist when I was younger. He was a friend of my mom, the late Audrey Harris. Dr. Holley, because of you, I will always remember my first dental experience. RIP Dr. Holley.
