“ *I'm sending a dove to heaven with a parcel on it's wings,
Be careful when you open it it's full of beautiful things.
Inside are a million kisses wrapped up in a million hugs,
to say how much I miss you and send you all my love.
I hold you close within my heart and there you will remain,
to walk with me throughout my life until I see you again.
When I am sad and lonely, I know just where you'll be,
the brightest star in Heaven, shining down on me.*

*Love,

“ *To have, to love and then to part,
Is the greatest sorrow of one's heart.
May the winds of Heaven blow gently,
Over that sweet and sacred spot,
Though sleeping in their silent graves,
May he never be forgot
JT we may of had our moments where we disagreed but you where a good friend
and I
enjoyed the time we spent together Thank You for always being there for all of us
until we meet again buddy.*

“ JT~

Thank You for being you~ You were so kind,caring and genuine. Thank You for always being there for me whenever I needed someone to talk/vent to. Thank You for being so good to my boys whether it be just to talk with them,bring them to their baseball games, or pick them up from school. They loved having you cheer them on. They loved you and valued your opinion on life and sports. Thank you for making my mom smile and making sure she was always okay, I know you are still doing that from your special place above. I will miss our talks,your silly jokes,our banter over sports but most of all I will miss you. You were a one of a kind soul~ everyone who met you loved you. Rest in Peace Good Friend~ Fly with the Angels~ Until we meet again~ We all Salute You

“ *When I come to the end of my journey
And I travel my last weary mile
Just forget if you can, that I ever frowned
And remember only the smile*

*Forget unkind words I have spoken
Remember some good I have done
Forget that I ever had heartache
And remember I've had loads of fun*

*Forget that I've stumbled and blundered
And sometimes fell by the way
Remember I have fought some hard battles
And won, ere the close of the day*

*Then forget to grieve for my going
I would not have you sad for a day
But in summer just gather some flowers
And remember the place where I lay*

*And come in the shade of evening
When the sun paints the sky in the west
Stand for a few moments beside me
And remember only my best*

“ *JT,
You will be missed. I wish you could have made it to Tampa to visit with me. I
always enjoyed out visits in Rhode Island and our conversations on the phone.
We had many laughs together. Until we meet again, your good friend.
