

Janice Ardesia Bullock

May 5, 1971 - December 15, 2023

On Friday, December 15, 2023 our sweet sister Janice Ardesia Bullock was called home and entered into eternal rest. Janice was the youngest daughter of the late Jim Edward and Rosa Lee Bullock. Janice was born May 5, 1971. She will be missed by so many that she touched in her lifetime. Janice was the best sister, aunt, and friend, giving love, showing concern, and offering encouragement to all around her.

Janice was educated in the Portsmouth Public School System where she maintained Honor Roll status throughout her elementary and high school years. Janice graduated with honors from I.C. Norcom High School in 1989. She continued her education at Norfolk State University where she received a B.S. Degree in Biology/Pre-Professional in 2000 (Yes, at one time she wanted to be a doctor). Later, she also received a Master's Degree in Organizational Diagnosis/Human Resources in 2005 from Regent University.

Janice received the Lord at an early age. She was a diligent worker and faithful servant in church, giving her time throughout the years as a choir member, nurse, and children's church leader. Janice volunteered her free time at schools, hospitals, and community organizations.

Janice worked at the Norfolk Naval Shipyard for several years as a student and later became a permanent worker, and received numerous awards and

accolades for her work and time. Her career at NNSY expanded a combined 32 years and her final title was Administrative Management Specialist.

Janice had a love for animals, reading, and music. She cared so much for others and her smile could make your day. We (her family) would say she had an old soul and was sometimes considered as the oldest of the Bullock girls.

Janice leaves to cherish her memories: a brother Robert Edward Bullock (Tracy Wright-Bullock) of Portsmouth; and sister Lisa Bullock of Suffolk; one niece Shakeema Wright of Chesapeake; and two nephews Jonathan Bullock of Suffolk and Kasim Ruffin of Portsmouth and three great nieces and two great nephews. She was predeceased in death by one sister Mildred Annette Bullock. Also, she leaves a host of aunts, uncles, and other extended family and friends to hold her memories dear.

Although Janice is no longer with us, we will never forget the love she shared, her smile that radiated her presence, her laughter that made you happy, and caring nature.

“ To the family of Janice,

It was a great shock to learn my friend is gone. We usually text each other on our birthdays but it never dawned on me that she was sick. Janice had a sweet spirit that made you smile every time she was in your presence. May you be comforted to know that she is no longer in pain. May the Almighty God provide you with comfort and peace during the days ahead.

“ Looks like I'm late but I just found out today that you went to be with the Lord. You were such a bright light to everyone. Now, I know why you never responded to my email. I knew many times you were in pain, but your smile never showed it. I was happy to work with you even though it wasn't directly, but you taking my calls and helping me out was always such a blessing. Thanks for all your encouragement and love that you showed me. You will be greatly missed!! Rest in Heaven. No more pain.

“To the family of our dear Janice:

I had the distinct pleasure of meeting Janice at the Norfolk Naval Shipyard while she was a student worker. Janice always had a beautiful smile and pleasant Godly demeanor about her. She made me laugh and was always encouraging. Janice never had an unkind word for anyone or anything, she went about her work and was faithful to her duties and assignments. One great memory is seeing Janice, her sister, and her mother Rosa from time to time all over Portsmouth. It was a treat and always a joyful encounter because all three were happy women of God. From reading the previous posts, I am pleased to know that Janice went on to have a successful federal career after her graduation from college and furthered her studies as well. Although my heart is sad, I rejoice just knowing that Janice is with our Father and Lord and Savior Jesus Christ, resting safely in His arms. May the Lord continue to bless you all during this time, and in the days to come.

“ I had the pleasure of meeting Janice at Norfolk Naval Shipyard. We both work in Bldg 1500 on the first floor. I recall Janice being a Toastmasters member back in the early days. She was truly the lady who would assist you with any personnel issues. She was faithful, dedicated, helpful, and knowledgeable in performing her duties. She didn't let her illness or anything else slow her down. Her quiet spirit and sweet memories will continue to live on in many of us who worked with her.

Extending my condolences to her sister, brother, and family. Rest on my sister Janice; your work here on earth is done.

“ I met Janice at NNSY. Janice started as a Student worker. I always told her how proud I was of her; because she hung in there. Janice became a permanent GS worker.
It had been a while since I had seen her, because I retired and the only way I kept up with her was through cards.
Janice was a quiet talking person always very nice. My prayers are with her family, she always spoke of her nephew. RIP, Janice.

I met Janice @ NNSY while she worked in HRO bringing over Form 50s to be processed by a Payroll Tech. Just found out she was a graduate of Norcom High School & classmate of my nephew Nate Boyd. She was very determined, quiet-spirited, GOD fearing, & will be missed by all those who knew & loved her.

God granted me the opportunity to cross paths with Janice when I worked with her team in the awards division in building 15. I got to know her and everyone in building 15. Janice always had something to say to me encouraging. Days I was down she would always try to uplift my spirit by asking if I was alright, or when I had time to talk to her, we would talk about family, or the Bible. She was a treasure, and true person. To her family I give my condolences. God Bless Janice. She is missed. Rest well my good friend. Glad I was Blessed to know for the short time I did.
