“ *My condolence and prayers to Vianne and family for your loss. I'm having a tough time accepting his loss but feeling a lil bit of comfort that he's not suffering or in any pain anymore and is an Angel in Heaven now. He was a great friend to many and I watched from afar how he excelled in life with talents I didn't know he had but surprised me and each time he was doing something different, more challenging to succeed in life. I'm going to miss him. Shine bright like a Diamond in Heaven my friend, til we meet again, Love David*
