

Jason Alan Ritter

November 29, 1978 - December 10, 2023

Jason "Jay" Alan Ritter passed away peacefully on December 10th, 2023, surrounded by his loved ones after losing his battle with addiction. Jay was born November 29th, 1978, and was a 1996 graduate of Amelia County high school where he played baseball and was active in the Drama Club.

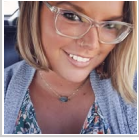

He is survived by his mother, Katherine Ritter and sister, Megan Seibel, as well as by his father Alan Ritter, stepmother Lynn Ritter, half-brother Corie Ritter, nieces Isabella and Alyssa Seibel, many aunts, uncles, and cousins, in addition to his dear friend Grace Everet. Special gratitude to his devoted friend Charles Kivi who got him to care givers at VCU, enabling his family and friends to spend precious time with him before he passed.

He was preceded in death by his grandparents Dewey & Mary Ann Ritter, James & Ora Lee Lankford, his aunt Judy Trimmer, brother-in-law Michael Seibel, and too many of his friends who also left this world too soon.

Jay was a caring person with a huge heart and beautiful soul. He had a silly laugh and his own unique style. He loved spending time with family and friends, listening to music, going to concerts and festivals, art, and animals of all kinds. He treasured his collection of hats and hat pins and created beautiful illustrations as his form of meditation.

A memorial paver will be placed in Richmond's Maymont Park in his honor as it was a place he loved so much. A small celebration of life ceremony will be scheduled there for family and close friends in a few months when the stone is ready. The announcement for the ceremony will be made on Facebook

“ *Just thinking of you and your beautiful soul. I know your not here physically but I feel you all the time. Right here with me. Looking over me trying to talk some sense into me as always. Lol. I remember you saying you'll never find anyone that loves you as much as me and baby its true. You are my soul mate ❤️ and ill always cherish what we had. The good. The bad. The ugly. The crazy haha but mostly the love you showed me and the bond that I will always cherish and keep with me.
