“ When i was little I use to call Jasper BoBo. I loved going over to Nanny and BoBo's house.

I'll always picture jasper sitting in the kitchen (or front porch swing) sippin on his coors lite with a little napkin on the table, toothpick in his mouth, white tictacs in his front pocket, watching tv while my nanny cooks or playing the numbers or scratching a lottery ticket or whistling to 106.9 outside doing his work. ❤️

He was pretty much my grandpa, and I will miss him so much. Thank you Jasper for loving my Nanny, you always told me how much you really loved her. It makes my heart happy to think about the love the two of you shared. You were a part of our crazy family and things won't be the same without you.

I hope you know how much i loved you, or we loved you. I know youre watching over us in spirit. It was a pleasure getting to know ya in this lifetime, rest in peace Bo Bo.
