“ Ms Jean was like the grandmother I never had. She was a friend of my Mom's. When my Mom passed away in 2000, I continued a friendship with her up until her last days. I loved visiting her and listening to her stories. She was always thinking about others, and would do anything for you if it was within her power. She truly had a heart of gold. I never heard her speak a bad word about anyone. She lived a long life, she lived by God's word, and I have no doubt she is reaping her reward in Heaven. I will TRULY miss her, and I know I am blessed to have had her in my life. Ms Jean will always have a special place in my heart.
