

Jennifer Dawn Maas

June 8, 1967 - June 16, 2025

It is with heavy hearts that we announce the peaceful passing of Jennifer, who departed this life with her beloved daughters—Tracy, Brandy, and Shelby—by her side after a lifelong and courageous battle with heart disease.

Jennifer was a light in the world to everyone she encountered. Her warmth, kindness, and gentle spirit left lasting impressions on all who had the privilege of knowing her. She carried herself with grace, strength, and an unwavering love for her family and the simple joys of life.

Raised in California, Jennifer always cherished her roots. She found joy in the sun-soaked landscapes of her youth, her love for horses, the serenity of the ocean, and capturing the beauty of life through her photography. Her faithful dog Rylie was her constant companion and a source of comfort and companionship throughout her later years.

Jennifer is survived by her loving grandchildren: Elijah, Kyrie-Jade, Kenleigh, Kaisleigh, Dakotah, Charles, and Benjamin, each of whom brought immense joy to her heart. She is also survived by her father, Gary, and stepmother, Lynn, her cherished roommate Lisa, and her boyfriend JB, who brought love and companionship into her life.

She was preceded in death by her beloved mother, Judith, her dear brother, Scott, and her stepfather, Thomas, whose memories she held close until her final days.

Jennifer's final wishes were for direct cremation, and in accordance with her request, no services will be held at this time. Her family honors her wishes and finds peace in knowing she is now at rest.

Jennifer's light will continue to shine in the hearts of all who knew her. Her love, resilience, and joyful spirit will be deeply missed but never forgotten.
