“ My prayers go up & out for my good friend & sister Ms. Laseeta & next door neighbor of Janice Lynn Ct. I remember John as a sweet man who used to cut my grass and help in any way he could. You all were such good neighbors to live beside back in 2005 till I moved in 2007. I will love & miss him like a big brother. R.I.P. John

“ *John, "Cool Frog", I will miss your laughs and your making me laugh. I remember that you were always the one person that everyone wanted to be around because your happy presence was so contagious. When you told a joke we all would laugh and roll on the floor. Even before I married your cousin, you were like family to me and my family. You will forever live on in our minds and our hearts. To the family, you have my most sincere condolences.*

“ We met around 19 years ago as I became introduced through his brother Ray, to Johns family, the Jordans `and the Jones`. They took me into their family via their mother Miss Ida Mae who saw no color barrier, and only my need of a supporting family as I was pregnant with twin boys, with no where to go. John`s family took us in, loved us as family and as I grew to love his brother Ray and bore Ray`s daughter Raeshelle, they also "adopted" the boys as nephews as well as she their neice. John was a friend to me, as well as many others, and like his mother, would do anything in the world for anyone in need and as a friend. He will be surely missed , not just by his family, of whom there are many, but also by all friends who were touched by his generous nature, his loving heart and most of all by his great sense of humor that still could get on your nerves if you were at the end of it! He loved all his neices and nephews, whether by birth or not, was always ready with a dollar to buy an ice cream with or anything he could do for them. He has passed his legacy on to his daughter Kia and granddaughter whom he spoiled rotten as a granddad was entitled to do. Laseeta, all those many years, whether together or apart, you and John were bound together always because of Kia, so now he`s up in Heaven with Miss Ida Mae, his grandma and brothers.. our loss is Heavens gain and Miss Ida Mae is loving him to her hearts content, back in his mama`s arms again.....
