“ I worked with Mr Scott at the Transplant Clinic. He was so faithful with his care of his transplant! Not a fun job but it sure beats dialysis! He put up with my repeated comments about his “second identifier” being his Valentines Day birthday, for years. What a champion!

“ Deepest condolence's to the Scott family on the loss of your brother, father and partner. John was a very quiet, caring and kind spirit. Our family was blessed by knowing and spending time with him during our family events. We will keep you all in our thoughts and prayers during this difficult time.
