“ *Johnnie Mae Poole Martin, with her caramel, supple-like complexion, was full of love, fun, life and laughter. She was truly a fashionista as she was elegant every time you saw her. Personally, she reminded me of one of the "Supremes" as she was just that exquisite. Johnnie Mae enjoyed being around family and always attended the BKSW Family Reunions. She loved cooking for her family and would make sure she had a hotel room with a kitchen so that she could whip up a hearty meal. Her presence will surely be missed as Johnnie Mae loved to share the family history with the younger generations.*
