“ So sorry to hear about John. He was my roommate at OCS in Rhode Island in 1977. He was far and away the most popular, well like person in my battalion and was always selected to be the flag bearer for Papa Company. I spent 27 years in the Navy and always wondered how he was doing. Hard to believe that after all this time we both ended up in Portsmouth. Wish you and your family well. “ Johnny or Johnny B. What a wonderful friend and neighbor. What a smiling face. You always had a caring spirit for your family, neighbor's and friends. Johnny will truly be missed but we thank God for the fond memories we shared. Ms. Green loved you like a son and you loved her. All of the talks, laughs, the cold drinks of soda's that you shared and all of the helpful things that you would do for her will always be remembered. What a wonderful loving, caring and helpful neighbor.

We love the Blount family and the Blount family loves us. Johnny we thank God for you and for you giving us so many cheerful smile's . You will be missed but you will never be forgotten. We extend our sympathy to The Blount Family.

“ My thoughts and prayers to the family of my good friend Johnny Blount. Johnny was a member of the NADEP Norfolk family for years. When I came down to NADEP Jax in 1996 Johnny and I talked on the phone alot. Johnny had a load of furniture he brought down here about a year and half ago, we went to dinner & talked for hours. That big smile was always there. Whoever Johnny touched in life, he was a joy to be around and I for one will certainly miss him. god bless his family for having such a good person in their life. I talked to others in VA. and they will miss Johnny.##imported-begin##Ron Peregory##imported-end##
