“ Family, Joe and I worked together for several years. Joe is a guy I will never forget because of the person he was. I will cherish his friendship and his memory. May God, in his infinite wisdom continue to bless each of you. Also, I am praying that God will comfort you all at this most difficult time. My Thoughts and Prayers are with you ALL.

“ My most sincere prayers & condolences to the family & friends. I also send my most humble apologies for not being able to attend the service due to lack of transportation but my heart & soul will be there. I first met “J” years ago through my brother Jughead. J was always like a brother to me & my heart is truly hurting at this loss. R.I.H. J, & I know you & Jughead will be reunited in Heaven.
