“ The news of Joe's sudden passing really hit us hard. We all loved him like a member of our family and will miss him so much. Though heartbroken, we take comfort in knowing he has joined his beloved sister Roberta, his aunt and uncle who lovingly raised him, his childhood friends Doug, Thomas, David Lee, Bop, Bradley, so many others and last but not least our precious Mother, who no doubt lifted her hands high to welcome him as he entered the pearly gates like she ALWAYS did in her home. To his devoted wife Peggy, his loving son, his beautiful grandchildren, dear family members and close friends we offer our fervent prayers for strength to face the difficult days ahead.

*Joe, Jr., we know you landed safely in your heavenly home! We look forward to that glorious day when we'll all be together again! What a reunion it will be! Until then we'll cherish all the precious memories and the good times we all had when we lived in the BEST neighborhood in Norfolk! Liberty Park, FOREVER!*
