“ My condolences to Brenda, Jo Shani and Nicki.. Joe and my family are close, so losing Joe is like losing a part of my family. Joe was the coolest guy I knew. What I remember about Joe was that he would always greet you by saying "What's Happening" or he would say "right on, right on " if he was in agreement with something. I catch myself numerous times greeting friends by saying "What's Happening" which is something I always heard Joe say when I was growing up. I enjoyed every conversation I had with Joe either in person or on the phone. I know losing him is hard. Just think that he is in a better place now. We will always have our memories of him. Will continue to keep your family in my prayers. Terry Christian & family

“ Craig and I want to express our sympathy to Brenda, Nickie, Joshauna and the entire Johnson Family. Jo was a down to earth, great guy and devoted family man. He always had a smile for you and greeted you as a friend. He fought a good fight, and now he can take his much deserved rest, free from the troubles of this life. To be absent from the body, is to be present with our Lord. Our prayers for you family, is that the Lord will grant you strength and peace as you go through this season of loss, and to remind you, you have friends that care. Joe will be missed 😊

“ To The Johnson Family,
I am expressing my sincere condolences and expressions to you prayerfully as God embraces you with HIS abiding love. It is amazing how time moves on from our early Mount Hermon youth years to adulthood. Joe, my siblings, and I were friends to the Johnson family, then residing on High Street. I remember his Mom and Dad and the tightly bonded family. Returning a few years ago to the community after my administration education career in New York, Joe and I often chatted or greeted each other passing daily. I learned of his deep serene Faith in God. He is committed now to his Heaven based assignment as we shall all encounter eventually. May you find always strength in God's sustainment of security and peace.
