“ Josh was a amazing coach he loves to see us get better and better in everything that we did. Whether it was sports, school, or just life. He would go out of his way to text us or call to see how we were doing. Josh was always there to encourage us when we were feeling down. You will be missed, but never forgotten. 🏀

“ When we first moved on Nathaniel Street, Josh was one of the first ones to befriend my kids. Josh had this genuine spirit about him in which I grew to love like one of my own. He would always find a place at our dinner table...lol...He will be remembered for that infectious smile. We lost a good one but God needed him more. Josh you will be missed!!!! Our family is praying for strength and peace during this time of grief.

“ May Holy Spirit truly be your Comforter during this painful loss! Josh was a beloved mentor to my son, always lending a listening ear and giving godly advice, as well as basketball training. He was a valued member of the coaching staff at StoneBridge with Steve. Josh lived out the great commission by discipling young men, and we are so grateful to God for him! His legacy will live on through all the men he poured his life into, as they live for Jesus!
Praying for you all! Steve and Stacy Elliott

“ Will miss this singing brother. A coach who loved basketball, a good dude. Working with him when we were co-workers at WTKR, all we do is talk about cars, rims, and systems. He will be missed.

“ *My bestie!! Words can't express how much I'll miss you. God doesn't make mistakes but it doesn't hurt any less. I haven't stopped crying and I know you'd tell me "it's ok Chica, I'm good" but the tears won't stop flowing. Heaven couldn't wait for you. See you on the other side bestie!!!*

I remember when we first met at the YMCA. We always hooped till the building closed. You helped me be a great player, friend, vocalist, person. You were the most selfless person I have ever met. I miss singing and writing with you. I can still hear your voice bro. And right now you would be saying hold your head, keep pushing forward, don't quit. I miss you bro. I love you Josh

Wow! I felt like I lost my son. You were at my house and obviously love to eat because that's a memory for a lot of people that knew and loved you. You Josh was a beautiful person. Coming over playing the game, staying the night, giving rides to the players, just about daily basketball practice, singing etc... I could go on about you. My one regret is not taking the time to tell you just how wonderful of a person you were. Rest In Peace.
