“ James and I will like to give our sincere condolences in the passing of your loved one. We remember when we lived side by side and was able to see him grow up for awhile. Even after your family moved away, whenever we saw Josh he was always respectful and always called us "Mr. James and Mrs. Linda". We pray that God will give your family the strength, comfort, and peace that you will need during this difficult time. Sincerely, James and Linda Mateen
