

Joyce Ann Flythe

August 14, 1955 - December 30, 2021

On Thursday, December 30th, 2021 the Lord summoned for one of his precious children to return home. Joyce Anne Everett Flythe, 66, passed away at Bon Secours Maryview Medical Center in Portsmouth, VA. She was born on August 14, 1955 to the late Timothy and Odell Willie Everett.

Joyce graduated from John Yates High School in 1973 in Suffolk, Va. She then continued her education at Norfolk State University where she received her Bachelors of Science degree in Special Education. She was employed for several years as a special education teacher. She later was a homemaker for the remaining years.

Joyce was a member of The Nottaway Indian Tribe of VA, Inc. for several years, serving as a foundational tribal member, counsel man and leading the children's activities at annual Powwows.

She was also a member of Faith Deliverance Christian Center in Norfolk, VA for many years.

Joyce is preceded in death by her son, Harvey Hudson Flythe, Jr. and granddaughter, Eliza Rose Elliott.

She is survived by her husband, Harvey Hudson Flythe, daughters, Stephanie

Aldrina Flythe Elliott (Sean Elliott), Jonell Larie Flythe Heard (Nicholas Heard), sisters, Myra ValJean Everett Palin (Ernest Palin), and Eula Mae Whitehead. She is survived by several grandchildren, Mario Williams Jr, Gabrielle Heard, Kacin

Heard, and Austin Elliott, who affectionately called her G'ma. She will be missed by her nieces, Erica Palin and Kendra Palin, her Aunts Thelma Hicks, Dorothy Cohen, and Frances Everett along with a host of cousins.

In Joyce's time on this earth, she touched the lives of countless families and friends. Her kind words, laugh, and gentle demeanor was contagious to all that had the pleasure of knowing her. She was a blessing to all of those that loved her and a true inspiration to all that knew her. Joyce enjoyed traveling, trying out new recipes, and having a good time with family and friends. She especially enjoyed playing games with her grandchildren. She was truly a huge part of everyone's lives and she will truly be missed.

We are confident, yes, well pleased rather to be absent from the body and to be present with the Lord

The quality of the video from Joyce Flythe was awful. The sound came and went sometimes the audio is booming. Most of the service was not visible. This was a very frustrating experience and I'm so sorry that I missed most of the funeral ceremony. I hope you can do a better job next time. I would not recommend his funeral home to anyone based on the experience I had with the video. If there's a recording of the service I would like to have it because I missed it online..

“ Harvey, Stephanie, & Janell, the news of Joyce's transition left us numb. Joyce has been a part of our lives since college and being a member of our Agape Center ministry in the 70's & early 80's. Her joy was infectious and just being in her presence brought light & good humor. We are deeply sorry for your lost and if you need our support, please contact us. Our prayers are with you during this bereavement journey.

“ Barry and I send our love, blessings, and prayers to Harvey and the family. She healed so many hearts with laughter straight from her spirit and soul. It was great medicine!

She was also a servant of The Lord. We will never forget Joyce's help during the period of illness of Barry's Parents. She never faltered, and was there when we needed her. We're so grateful to The Lord for her.

Thank you, Lord, that Joyce Ann declared her citizenship. As we see this beautiful picture of her, we know that she was not only dressed up on the outside, but she was also dressed with the glow of inside beauty, and is now part of the Heavenly Celebration.

Our love and blessings always!

“Joyce presence and infectious smile will be greatly missed. We grew up in the same neighborhood, attended high school and in latter years, we joined the same church (FDCC). “My sincere condolences to the Flythe family in the passing of my elementary school friend Joyce Ann. I met Joyce in 1962 in the second grade. We attended elementary, high school and college the same years. I last saw my friend at our JY Mega20 Class Reunion in 2019. It was so wonderful to see her and hear that laugh that would make you laugh a just to hear it. She will surely be missed by all who knew and lived her. Rest In Peace my friend, I will never forget you. My prayers go out to Harvey, her daughters, grandchildren and the entire Flythe and Everett families.
