“ I feel so awful that I now just learned of Joyce's passing. I spoke to her back in August and lost touch with her these past few months. I was her neighbor many years ago; Joyce and Patrick took me in like I was her own daughter. We shared such good memories and I was fortunate enough to see her from time to time over the years when my job brought me into town. She was so caring and loved her family dearly. My deepest condolences to you Patrick and her daughters and family. My thoughts and prayers are with you all.
