I'm glad you knew how much we appreciated your relationship with your goddaughter Talia. You were the first man to show her love and she will never forget you. Thank you also for always being a constant friend to me, my Mom and DJ. See you in the other side. Sis. Pat Judkins

I feel so privileged and blessed to have known you. I feel that we were meant to connect since we attended the same school in Portsmouth and we shared a Goddaughter, Talia. I thank God for the gift that was Juan. I take comfort in knowing that we will meet again!!!

“ Juan was a beautiful soul and spirit, he fought a good fight, God decided to pluck another beautiful flower out of the lillies of the field and brought his child home, now Juan is resting peacefully in the bossom of Almighty God, no more pain and illness, he will be truly missed.

“ I was walking with members of the church around the block of our church, suddenly I became very tired from walking and cancer. I told them to go on with the walk leave me. Juan said he would not leave me even if he had to put me on his back and carry me back to the church.. First time meeting him. Loved him from that day.
