“ I still remember the first time we met Ms. Julia. They came to our house for dinner. From the moment she arrived, Ms. Julia exuded compassion and warmth, especially towards my now late mom. She treated her with such tenderness and care, speaking gently and ensuring she was ok. Her kindness at full display. Their connection was effortless. Ms. Julia's act of kindness remains etched in my memory.

I have since lost my mother, but when I think of my mom and Ms. Julia, I envisioned them sharing a meal in some serene place, surrounded by love, joy, and laughter!

“ Tammy, Sonny & Sonnae, my deepest condolences. I'm really going to miss Mrs. Julia. Whether at church or at "the shop", she always greeted me with the biggest smile and reminded me that everyone called her "Pee Wee." Your mother will hold a special place in my heart forever. Praying you find comfort and peace in your cherished memories and in knowing she "fought a good fight, she finished the race, she kept the faith, and now it's time for her crown of righteousness." 2 Timothy 4:7-8

“ *What pleasure I had to have been the one to watch her smile each day. Her smile would light up a room. Soft and sweet while holding my hand. We had that unspoken communication. I would sing and she would hum the lyrics and tap her feet to the beat. Oh, how classy. She was that lady. My condolences to your family. I pray for your strength this season and the remaining. She will truly be missed. I know her love was left behind and your family is forever covered.*
