*I can't say it enough times that you all are in our thoughts and prayers. Julius will forever be in our hearts and many precious memories. I can vividly imagine in my mind the peace and love that surrounds him, as he meets and greets loved ones on the other side. One day, we likewise will cross over to meet and greet. I know without a doubt, that his glowing beaming face will be among all those who will be rejoicing at our blessed arrival. To look upon his face again will be glorious. But, until that great getting up morning, we will strive to live a life of Christ that will assure us of that "HALLELUJAH" day when we will ALSO see our Saviour face to face. Please know that our love is with each and every one who mourn his passing. We are confident that in time, we will no longer remember in a way that will bring tears. Instead, we will with soothing joy, happiness, and gratefulness for having Julius in our lives. I hope to be able to see you all soon. Until then, take care. Love, your Cousin Vietta L.
