“ Julis,

Remembering the day you were born is still fresh in my mind. Holding you and spoiling you was the best. I only wish I could have did more and said more. I always loved you and you will always be in my heart. Rest in peace.

“ Lil'Cuz rest in peace. You know I was calm until I saw your pic on
this website. It's getting harder and I do understand why now? But
God has plans for us all and I can accept that.

There is so much I could say but you can feel me.

Much love and best believe the family is going to take care of
Sookie and Maria. Stop stressing now and be free.

We love you always,
