“ My prayers go out to all of the family and friends of Julius. It's taken me this long to even start to try to find the words. He was so inspirational and could impact lives in minutes. I believe he still will just from a much more beautiful place. He will always be with us. I am blessed to have had the opportunity to meet him when I did.

“ To the Family of Julius DeBerry, my heartfelt condolence. I never met Julius in person, but he was my brother, partner and friend. I had the pleasure and blessing to meet Julius in our training class of The Eagle 10 under Senior Manager Mr. John Banks. In the short time that we all came together, we became more the business partners . but family. We learned together, prayed together ,laugh and cried together. We were looking forward to the time when we would all come together in person. Julius will always be loved and missed by me. I will always hear him say "Go To Work". Julius has blessed many people, and I believe God is truly pleased with Julius. My prayers go out to his family, asking Jesus to comfort y'all and bring the peace as only He can. Be Blessed

“ I remember Julius from many years ago as a good friend with a consistent joyful attitude and uplifting outlook on life. I was shocked and saddened to hear of his passing as news quickly spread to Tucson, Arizona. That reassured me that my brother Julius, was as always deeply loved and admired by many. May Julius rest in the arms of our Loving Lord Jesus. To the DeBerry's, you can find Peace and Hope during your time of mourning in our Lord Jesus Christ.
