“ I will always remember my father. He was my inspiration in so many ways and his wisdom was and still is priceless. He told me before he past, "You will always be my babygirl I don't care how old you get." I wouldn't have it any other way. He knew he was transitioning into eternal life and he was ready. He told me that I would be able to look up and talk to my natural and heavenly father one day - I'm doing that everyday. Love u Daddy.. see u later :D
