“ Kourtney, I am so sorry to hear of your loss. Mothers are special to us all. I remember joking with her when she visited here at school. She was quick to laugh and smile bringing sunshine to those around her. I offer fervent prayers for the comfort of you and yours during this difficult time.

“ *Dear Battle Family,*

I would just like to tell you how sorry I am to hear of Karen's passing but rejoice with you that she is now at peace with Jesus. I worked with Karen at Dollar Tree and know how hard it was for her to come to work when she was in so much pain but she worked through it so many days.

I also know how much her family meant to her as she spoke of you all so often. Kourtnee, your mom loved you so very much and always wanted the very best for your life. And your baby girl Faith, I remember how happy she was when you were born and so grateful to have you in her life. I know you both were the world to her. I know she was also so grateful for her parents and loved them so very much.

I know Karen had many struggles both physical and financial but I know she was always a fighter to overcome them. I have the highest respect and know you must be so proud of her.

Now the hard part...having to say goodbye. Praying you all find peace in the love she had for each one of you and know she is now in the arms of Jesus.

*Love in Christ,
Peggy Matthews*
