“ Wow i think about you and all of my other aunts everyday Aunt Kat. You were the cool young aunt who let us get away with somethings (sipping a little beer) lol .Nobody would harm us because they knew we were blood. We truly miss you down here . Tell Aunt Jean, Gina, and Aunt Pooch I said hi . Happy Born Day

“ I am so grateful to God for giving me a Aunt like you. As i was growing up aunt you've always been the crazy, dont care what anyone thought about you type of person: i admire that quality you had. Even though your life took you down some lanes that any of us could understand but God he is now and forever in control. Thank you for all the laughs. Kiss aunt Jean and aunt Gina and tell all of our family we shall soon laugh again soon. Forever missed but never forgottten love, Kim Wilson your Niece.##imported-begin##KIM WILSON##imported-end##

“ I Thank God for the years he gave us with you. You were definitely one of a kind. when we were in each others presence nothing else matter and everything was just fine. We will see you soon. It's going to be hard but we just have to stick together. Say hey to my Aunts and give them hugs and kisses. Male sure the kitchen in our MANSION up there looks just like Grannys' so one day we all will reunite there, sitting around the table. LOVE YOU ALWAYS!
Your Niece,
