“ We were deeply saddened to learn about Miss Katie’s passing. Our hearts go out to the family during this difficult time. A gem as special as she was, can and never will be forgotten! Words cannot express how pained we are for your loss. More than anything, may you all find peace and comfort. May love surround you enough to take your pain away. Our hearts and thoughts will remain with you all as you mourn and we pray time will heal and lighten the pain you’re feeling. Miss Katie has left us with a lot of sorrow to deal with, as she definitely left her prints on the sands of time. Prayers are known to ease burdens and the family is currently in ours. Be comforted by the outpouring of love surrounding you all. We’re asking God to give the family the strength to bear this loss!

We will forever love Miss Katie!

“ *In Loving Memory of Our Sister*

*Our memory is a keeper from which we never part
God has you in keeping, We have you in our heart.
You were our companion in life and now an Angel by our side.
Losing someone so special is truly one of the deepest heartaches
no matter how hard we try
We remember that the ones we love don't go away
You will walk beside us each and everyday
Unseen, unheard, but always near; so loved, so missed, and very
dear
Until memories fail and life departs, You will live on forever in our
hearts.*

Katie was always sweet and kind to my family and most of all she loved my brother dearly. We didn't see each other much but when we talked on the phone from time to time, we would always say that she loved me and I would tell her that I loved her too. I will miss her dearly but she will always be remembered in my heart . I love you Katie Jordan. RIP

“ To The Family,

No words I may say, can heal the pain you are feeling because of the loss of your love one. Only God can do that. I speak comfort and peace to be upon each of you.

I will always remember Ms. Katie and the love she showed me. We had some good talks over the years.

I thank God that I got the opportunity to know her over the years. I pray God uphold her daughter and sons and wrap his wings of love and healing power around them during this time of bereavement.

The joy of the Lord will be their strength. Remember the good times. Your mother will always be in your hearts.

I give God all the glory and honor for the years he allowed her to live. Ms. Katie is now taking her rest from all her labor. Sleep on Ms. Katie until the trumpet sounds.

To her children Shawanda, Michael “Mike”, and Marvin, keep the faith and look to God for your help, which comes from him.

Know that this too shall pass and let not your hearts be troubled. Celebrate your Mom’s Life and rejoice in the Lord.

Love ❤️
