

Keith S. Davis

February 15, 1954 - March 23, 2025

Our beloved brother, Keith Stephen Davis died on 3-23-25. He was born 2-15-54 in Queens, NY and was a treasure from the beginning. I was tasked to play with him and feed him a bowl of cereal in morning as Mother slept in after working a midnight shift at a NYC bank. Most of the cereal was on the floor, not in our bowls. Keith would always hum while eating cereal. Happy kid.

We were a military brood and 2 more children were born and raised as we moved about the states. Keith adapted well to the moves and took up playing guitar and was musically driven the rest of his life. He will be missed by his musician fellow bandmates including sister Deborah.

He is survived by sister Deborah Fowlkes McRee(Griffith), Gary Louis Davis and Craig Lee Davis (Deanna) as well as our mother Margaret Davis ,nephews Brian Fowlkes, Jr., Jayson Grazel and Trevor Davis, 3 cousins and Aunt Audrey Sullivan.

A celebration of life will be determined.
