“ *My condolences to the entire family... for the loss of Kenny... No more suffering my "Brother" has finally gotten his wings...*

Vina Trotter - March 27, 2014 at 06:21 AM

“ *To my family, I know much can not be said to wash away the pain inside. However it's good to know that Kennet is no longer suffering in pain, and that he is at peace with his self. Yes it hurts the living to cope with this but that is what family is for to remember and carry his name for all to know. If his battle is not spoke upon it will not carry on so speak of the laughter and fun times to get through this time. Thou we are far away we are close in spirit. Loving each other is the beginning. And know that I'm thinking of each and all.*
