“ I first met Laura Long in 1985 when I started singing and acting at the Lost Colony. I became friends with her godmother and singing teacher Katie Pfol who helped her prepare for her recitals each summer in Manteo. I attended Laura's recitals, for she had a lovely voice.

My last year at the Lost Colony was 1987.

I am sure she continued to perform. Laura was really a sweet person who loved to sing and always willing to share her enthusiasm with others . She will be greatly missed by her family and by those who got to know her at the Lost Colony.

“ We just found today of Laura Ann's passing. We all were upset that we didn't know, know how sorry we are for your loss.

I remember the fun with her on a cruise ship for 5 days, she sang during a karaoke night she was so sweet , Mozelle and Tommy stayed with her in Rock Hill for work quite a few years, I would visit , and had a great time with her.

SM

“ I remember the Saturday 67 years ago when baby Laura Ann Long came home from the hospital. Big brother Bobby Long and I were watching "Mighty Mouse" cartoons upstairs at the Long home. Shortly after arriving home from the hospital, Mrs. Long let me "hold" the new baby! (I am sure I was closely supervised and she was more likely "lying across my lap") but I was so excited! This little baby grew up to be Miss Laura Ann Long!

*Doting big brothers Billy and Bobby, lots of family, and scores of friends from "The Lost Colony" and the Manteo area allowed Laura Ann to thrive and live independently for many many years.*

*Rest in Peace, Laura Ann. Cherish her memories big brothers, family, and all of those whose lives she impacted.*

HW

“ Miss Laura will always be remembered for her love of life and for the love she treasured by her family and dear friends. She was the queen of The Colony and my very dear friend. I never hear Pie Jesus or His Eye Is On The Sparrow and fill full of emotion for Miss Laura. Having her come to perform at The Maguire Theatre in Elizabeth City was one of my most heart felt memories. I sing because I'm happy, I sing because I'm free. his eye is on the sparrow and I know He watches me. Love you Miss Laura
