“ *Mr Demby, I am absolutely shocked and hurt by your passing sir. You played a huge part in helping me stay clean and sober and I could never thank you enough. You made me feel like I could do anything and gave me so much confidence. I will miss your laugh sir, your laughter could defuse any situation. God help me, I can't believe this. Bless you sir and rest now, you helped us all so much. All my prayers and love to you and your family. Thank you Len*

“ *I remember Len. We went to ODU together. He would always show up with a smile that is worth a million dollars. His natural positivity is a force of nature. He brightened up the room the moment he walked in. He also has that priceless Demby giggle. I can't believe he is gone. The world is so much a better place with him in it.*
