“ *It's been so many years since I've seen Butch but I have a few memories of him. More important, I'm family and I've been trying to reach Lenny and Justin for so many years since the loss of my grandfather Lenwood Winfield in Alexandria, Va. By prayers again I hope I can reach my family. I met Butch when he came to visit in Alexandria, Va after we visited Portsmouth, Va in the late 80's early 90's. Please someone help me get back in contact with my family.*
