“Mackey, how we miss you and think of you everyday. God gave you a heart and soul, i believe, unequal to most..i say this because i know you so well..your true kindness and forgiving spirit towards others who may have not had your best interests at heart..Although life may not have been so easy for you on this earth while passing through, you without a doubt reaped your highest reward when JESUS called you home..I know where to find you at any given moment of the day..i need not look about earth for your whereabouts..i know your new address to be Heaven...no phone nbr needed nor zip code..you made it easy for those of us left behind that love you so..we simply close our eyes against earthly distractions and look heavenly and pray to our FATHER GOD in Heaven and thank HIM for having shared you with us for oh so short a time. How precious it is having had you for a brother..i look at your picture above and so many memories flood my mind and my very soul..IT is precious to GOD whenever one of his saints come home..How special and precious that you saw JESUS face to face and HE wrapped HIS arms around you so lovingly and tenderly. And i believe HE may have whispered in your ears so softly that HE had a surprise for you..and at that moment, you saw your wife Connie and our mom and our dad and all your loved ones..rest in forever peace my dear brother and we will see each other again by and by.I LOVE YOU.Douglas and family.

“ Hi Mackey, This is your little sister speaking to you. I know you are happy to be home with CONNIE and MAMA. I know HEAVEN must be a beautiful place. I know Connie and you are finally home together. You and Mama have fun playing aggravation. It makes me happy and brings me peace, knowing you are home with JESUS, and no longer suffering. Give mama my love. Sis
