Linda you will be truley missed. You and your family were 1of the 1st families I met when I lived out Ida Barbour. From the begining we became close like family. We share many fun memories together. All I can say is it was nothing like the Ida Barbour days. We love you and you will never ever be forgotten. Rest in Peace Linda. May God comfort the family in their time of distress.

“ Ms.Linda,you have been such a blessing in my life,We have had plenty of laughs together over the phone,and you always gave me a piece of wisdom,you are one of the most realest women I have ever met . (If you liked a person ,You liked them, If you didn't like them they knew it too. (I remember Tony trying to make up a lie,and you said Boy you know you need to stop lieing like that)You always spoke your mind.I remember this Christmas coming over your house and Flugie, Sonya, Tony and your grandchildren was there , and Tony was joking on Flugie son girlfriend,and you was sitting on your bed just laughing,you was happy just being with your family.You is a great mother and grandmother,even in your weakest moments You still was smiling .You was so strong. I'm going to miss you Ms Linda, Proverbs 31:She girds herself with strength,Her children rise up and call her blessed.
