Brown for 6 yrs and he was like a father to me at the job on 3 rd shift, I enjoyed coming to work just to be around him, he always made everyone around him laugh never a dull moment! I'm going to miss him dearly but I know he's in a better place. Rest easy my friend and to the Brown family I love you all. Officer Bradford, at the Coast Guard Bass.

“ *To the Brown/Cherry family I send my love and sympathy during this  
time. Mr Lin who I've called "Bro Brown" for over 20 years will be  
missed. Tasha and I have been friends...more like sisters since  
98....Bro Brown would call us on various trips we haven taken over  
the years and I would always tell him how "clean" he was when he  
went out. He definitely will be missed. To Tasha and the rest of the  
family I love you guys and I'm here with you every step of the way.*

“ To the Brown Family,  
I am so sorry for your lost. My daughter Monica introduced me to her best friend many years ago. She has become part of my family. Tosha is like a daughter to me and brings me joy every time I see her. Frank, I adore you. Ms.Brown you are a very sweet woman. Call me anytime for anything.Love you.  
I say to all, look to God for your peace and understanding. Call on him and he will show up and do an exceedingly great thing. That what his word say. The pain is empty, fill that with God, he and only he shall bring you through. I'm only a phone call away Love your family always

“ My condolences to Sgt. L. Brown's Wife, Mother, Siblings, Children and the entire family, and friends. I know you all know by now; we have lost a Giant. He's BY FAR the nicest, kindest, given man on this earth. We have worked together for 18 years and my heart is CRUSHED. He made my day when I relieved him in the morning. I actually looked forward to seeing him because I knew I would get a laugh for the day that would carry me to the next day. Everybody got treated right by him. People would do him wrong but he will do them right. We were not just co-workers, I was not just his boss but we were truly friends. He was a man that you could trust and you could take his words to the bank. I learned a lot from him in learning how to turn the other cheek. He inspired so many people to just be kind and not take life so seriously. He knew how to enjoy life. He truly loved his family. I thank GOD for sharing him with me for 18 years as a friend. Family, hang in there. It's going to be tough but remember, one day at a time. The hurt and missing him will never go away but it will get easier. GOD is able. I will always keep you guys in my prayers. As Sgt. Brown would say, CHOW until next time.....

I can't believe that you are gone but I am guessing our Heavenly Father said your purpose was over and it was time to call you home. I will never forget you as an Officer and as a my dear friend!!! *Do Not Stand At My Grave And Weep*

*By Mary Elizabeth Frye*

*Do not stand at my grave and weep  
I am not there; I do not sleep.  
I am a thousand winds that blow,  
I am the diamond glints on snow,  
I am the sun on ripened grain,  
I am the gentle autumn rain.  
When you awaken in the morning's hush  
I am the swift uplifting rush  
Of quiet birds in circled flight.  
I am the soft stars that shine at night.  
Do not stand at my grave and cry,  
I am not there; I did not die.*
