“ I met Lionel when we both worked for Dominion Power many years ago. It was a pleasure knowing him. He always had a conversation for you. Prayers to the family.

“ We met across the lake. He was making his own bricks! He said come on over and that was that. Each day I'd go to the lake with my dog Blu, we'd yell our howdys and Blu and i would stop by to inspect whatever he was doing that day. Wow could he talk. I met his bride and heard their love story...he had so many stories. It got to the point at whenever Blu saw him outside, she'd pull me over. I shall miss my neighbor and friend. You don't find people like that often these days.

Blessings to his family. Dee White & Blu 🐕
