“ Dear Family and Co-workers. I work in NAVSUP Mechanicsburg, PA and although I did not meet Lisa in person we spoke on the phone. Lisa was a member of the NAVSUP BSC Equal Employment Opportunity Committee (EEOC) and had a hand in many projects, the latest of which she and I worked on the FY18 EEOC Election Committee. Please know she was deeply appreciated for her dedication to the EEO efforts of NAVSUP and BSC and her work on the FACTS program for BSC. She was a beautiful lady with a beautiful soul. My sincere condolences. Her Navy family is thinking of her friends and family during this difficult time.

“ Though I didn't get to know Lisa personally, I feel the tremendous love poured out from her family and those that knew her. I would, on the behalf of the Birden/Shine family, like to extend our heartfelt condolences to the Booth and Jones families respectively. The loss is hard and the pain will be felt for a time, but when the hurt becomes less intense, you all will feel the presence of The Most High GOD filling your hearts with healing.

With the sincerest love to you all,

“ I am still trying to process the fact that Lisa is no longer with us. I worked with her at Price Fighters many years ago, but whenever our paths crossed, she greeted me with her brilliant smile and warm embrace. I have so many fond memories of her. To her family, I send my sincerest condolences. I will keep you in my thoughts and prayers. She was taken from us far too soon.
