“*Precious memories last forever, I will hold them in my heart and smile from just my thoughts. You were able to see me grow from a child to woman. I am thankful for that, you saw my kids and I am thankful for that. You were listening even when I thought you wasn't and I am thankful for that.*

Grandma I am keeping you here in my heart.

Love,

Valerie ("Val")

“*My mother was a woman with incredible strength and courage like none other. She believed in working hard and smart and taught her children the value of the same. She was my inspiration and she knew it; she was my joy and she knew it; she was my love and she knew it! She could never be replaced. She fought a good fight! Rest momma just rest. I will love you forever! Always yours, Annie B (Lisa Moore Bailey)*
