“Mrs. Jones had a major impact on life and I will forever be grateful. She was such a humble woman with a beautiful and kind spirit. She took many under her wings including me when I was just a young lady in college trying to figure out life. I met Mrs. Jones when I worked as a student at NISMF. She was my direct supervisor. Today she popped into my mind for some reason and I began to look for her number. I had spoken to her a few years back, but today I was going to reach out to her again just to see how she was doing. I promised her when I came home to Virginia (I've lived in NY now for the last 29 years) I would visit the church and speak to the youth. The last time I spoke with her we laughed and I reminded and thanked her for the impact that she had on my life...which I knew...she knew. I loved this lady more than anyone will ever know! I googled her to find her telephone number and her obituary popped up. My condolences to Bishop Ron and her children, grandchildren and extended family and friends. May you find comfort in the arms of God during this difficult time. I cried but then smiled, finding it ironic that I thought of her the day after what would have been her 73rd birthday. Mrs. Jones lived with God's grace and she has now returned to our heavenly father. She will be missed but always remembered! Thank you for making such a powerful impact with your life Mrs. Jones. May she rest in peace.

*Respectfully and with deepest sympathy,*

“ My dear cousin Loretta, I will truly miss YOU. Your smile and spirit will never be forgotten. I will also never forget the invitations that you extended to my family over the years and will forever cherish the “Triple R Ranch” weekend invite. My granddaughter and I along with my aunt Margaret and her granddaughter had the opportunity to attend and we really enjoyed ourselves. It has left us with a lifetime memory. Thank you for that. I’ve always looked up to you and felt comforted by your words and prayers, which I will miss. I love you cuz and will NEVER forget you. God has you now. “To be absent from the body is to be present with the Lord.” I will not say goodbye but see you later.

*Rest in peace and love you,*

5-5-24 Only just now hearing about Loretta’s passing, I am personally devastated. Since elementary school thru our graduating as Classmates in the 1969 Class of I C Norcom High School, Loretta was always kind, beautiful, smart and talented with wisdom, strength and compassion beyond her years. To Loretta’s husband, children, grandchildren and extended family, your loss is being deeply felt by all who knew Loretta. Your personal belief in Jesus Christ is the strong tower that will give you comfort as you remember Loretta’s beautiful smile.

Yours In Christ, Miriam Jackson Jiggetts
