“ Lori was a faithful worker, caring for thousands of patients during her more than 30 year career. out of the many thousands of employees that worked for autumn corporation over my 27 years as vice-president of operations Lori is the only employee that would routinely call our president and myself to just check on us to see how we were doing. I will miss those calls. I will remember her forever. God is good. He's always good.

“ *My sincerest condolences to the Black & Gregory families. May angels wrap their arms around young Ashley in her time of sorrow. Lori touched so many people in her 30 years of service in the healthcare field, not only the patients she cared for but also the families and her co-workers as well. Lori you are missed, let your generous, loving heart now rest in paradise. Love Monica & Sage.*
