“ Sister Bethea was a loving person. Always smiling and wanting to help you in any way. I admired her beauty, her love for people and health and her love for God. I worked with her briefly when she first took over the fitness center at Trinity. I will truly miss her smile. To the family, we have been taught to be absent from the body is to present with the Lord. So, I know you are hurting right now but Sister Bethea is no longer hurting. Her smile is brighting up the heavens now and God has received her into his heart. We love you all and pray God's healing and perfect peace beyond all understanding to Bro. Bethea and family. Love always, Benny and Jonitta Harris

Job 23:10-12 But he knows the way that I take; when he has tested me, I will come forth as gold. My feet have closely followed his steps; I have kept to his way without turning aside. I have not departed from the commands of his lips; I have treasured the words of his mouth more than my daily bread.
